

Let's go conkers!  
What will you create?

# Kooky conkers

## Let your imagination run wild and get creative!

### What you need:

- Some conkers – they can be big, small, knobbly or smooth – and don't forget to keep the shells!
- Twigs
- Leaves
- Berries
- Seeds
- Nuts

Now it's time to get modelling.

What will you create?

You can even add eyes, spines, teeth – whatever you want – using plasticine and paint.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
